CWHA Annual dues increase expected for 2023!

PRESIDENT'S NOTES

Hello CW Neighbors, I hope everyone is enjoying their spring season and the warmer weather! I want to thank resident Amy Mills for volunteering to be our new Fielding Street Representative. I'm happy to see more and more people volunteering for various roles on our CW Board as well as getting involved in planning our upcoming festivities. Our Canterbury Woods neighborhood is only as great as the people living in it! With that said, please continue volunteering, especially for our upcoming 4th of July event (on July 2nd)! We have quite a few things in the works, such as more event ideas and plans to the pool opening up.

Our *Little Free Library* is being assembled and will be installed very soon in our CW park near our newly planted tulip trees. I hope our reading enthusiasts will come check it out!

Regarding a Canterbury Woods-wide garage sale, we are trying to determine a date and are trying coordinate with other neighborhoods to be involved. If you are interested in participating, please contact Cat Klueber at 740-317-8599.

-Jeff Oblock, CWHA President

POOL NEWS

Our CW pool will be open Monday, May 30th, weather permitting. Please take the time to review the pool rules. We are looking forward to having a fun and safe summer season.

It is the job of our lifeguards to keep our residents safe. They reserve the right to revoke privileges if the actions/behaviors of any individual do not support a safe and family friendly environment.

Reservations for pool parties are being taken. Requests must be made AT LEAST 7 days prior to event date. Important changes to note this year – the minimum fee for lifeguards at pool parties has been increased to \$20 per lifeguard per hour. There is no charge to reserve the pool but a \$50 refundable deposit is required at time of reservation.

****Pool parties are not guaranteed**** Pool parties are based on guard availability. We will do our best to find guards to cover the party but this is not guaranteed.

ADULT SOCIAL

All CWA adults are invited to our first Adult Social of 2022 at our CW pool! The event will take place on **June 26th at 8:30pm**. BYOB and an appetizer or dessert to share. Take a dip in the pool or sit by the fire! This is a great way to meet your neighbors and make some new friends. We look forward to see you there!

Mark your calendars: This year our “4th of July” Party at our CW park will be held on SATURDAY, **JULY 2nd**. This is a change from prior years, but it will allow everyone to come and enjoy the festivities and recover before the work week begins (since the 4th falls on a Monday). There will be something for everyone! Plan to be here with your friends and families!

Events on July 2nd will include our annual 2 mile fun run/walk, bike parade, kids games, adult games, prizes, and lots of great food!

We had an amazing first committee meeting to kick off the planning! Our next planning meeting will be at our CW park on June 20th at 8pm.

Volunteers are needed during this fun party! We are asking for one hour of your time to help this event run smoothly. You will find that this is a fun and great way to meet your neighbors! Sign up sheets will be posted at the pool. We will also post a link on Facebook to sign up via signup genius. You may also call/text Susan Rand at (918)728-5079.

We are asking for **donated desserts** to add to our menu. Make your specialty and bring it up to the park at 10am on July 2nd.

Anyone wishing to **donate a prize** or know anyone who would be interested in donating, please contact Susan Rand.

GROUNDS REPORT

Memorial Day is almost upon us and our CW grounds are starting to really take shape!

If you have noticed the grass being a little long, that is due to how wet our grounds have been, preventing our lawn guys from mowing. The company has assured me they are staying on top of our lawn the best they can.

The barriers for our playground area have been installed and should work to keep the mulch from spreading further into the grass.

Our CW Clean Up Day was a HUGE success this year! I want to give a BIG thank you to everyone that volunteered this year! We planted two new trees, spread 17 yards of mulch, painted a lot more equipment the hunter green color to match the fence, trimmed a lot of those low hanging branches and removed the bike rack that was not serving its purpose anymore.

Thank you to these people who helped spruce up our park area:

Tom Schock and son-in-law Mike
 Jeff, Laura and Landon Oblock
 Brian Fillous
 Bentley Rand
 Mike Spiezio
 Chris Mills
 Joe Lemmeier
 Josh Mis
 Bill Boerwinkle
 Tom and Jodi Roekle
 Sofia, Luca and Tim Malik
 Steve Walters
 Brian and Dominic Pinto

Originally, I had hoped to replace some of our CW playground equipment this year. However, there are some other items around our pool that are more of a priority this year. Therefore, new playground equipment is going to have to wait for at least another year.

The CW Board approved the replacement of the rotted trim and warped doors that lead into our pool bathrooms. So those will be replaced as soon as our contractor can get us on the schedule.

As always, if there are any questions regarding the CW grounds, please feel free to reach out to me directly.

-Brian Fillous,
 CW Grounds Mgr.
